

Jigsaw Run Bigger and Better

Near perfect weather conditions helped make the fifth annual Jigsaw Run the most successful yet with almost 400 runners taking to the track.

Following a quick warm up from Rob Dale of Nutbourne Vineyards Run, Jigsaw Patron and Eagle

Radio presenter, Kim Robson, officially started the event. Runners took in two laps of Dunsfold Park's perimeter road and runway, past the resident Boeing 747 and crossing the famous BBC Top Gear track.

The first placed man across

the line was Daniel Hull (34m 23s) and the first placed woman was Sophie Crumly (37m 52s).

Jigsaw Trust would like to thank Informed Choice, Dunsfold Park Ltd, Cranleigh & District Lions Club, Stuart March Photography, Ruby & Kind, Firebird Brew-

ery, Cafe2U, Broadbridge Heath Leisure Centre, Rob Dale, 1st Defense Fire, St John's Ambulance and all the volunteers on the day.

'OUTSTANDING' Jigsaw School

Jigsaw School has received a rating of "outstanding" for each of the five categories assessed in its recent Ofsted inspection.

Key findings in the report include: "Partnerships forged between home and school are outstanding. Parents praise the school for the positive impact it has on their family's day-to-day lives by addressing their child's needs fully". Pupils were seen to be "cared for

and supported exceptionally well", also that they "develop an understanding of values such as tolerance and respect" and "are extremely well prepared for life in the wider community".

Director of Education and Headteacher, Emma Hawkins, said: "I am extremely proud to lead a team of hardworking and dedicated staff and to have this re-affirmed by Ofsted once again is hugely rewarding. Our aim at Jigsaw

is to provide every opportunity for pupils to reach their full potential in life and this can only be done with the commitment of the whole staff team."

Chair of Governors, Jo Russell, said: "I firmly believe that the pupils at Jigsaw deserve the very best education possible and that is exactly what the staff team at the School are able to provide them with".

Christmas Celebrations

Pupils and clients enjoyed a variety of festive outings and parties thanks to many of our friends and supporters. Setfords Solicitors in Guildford invited clients to join them for an afternoon of carol singing and mince pies. Jigsaw School pupils

have enjoyed parties at the Hilton in Cobham and at School. A group of pupils also visited Santa at Squires Garden Centre in Milford and another class helped to select the Cranleigh village Christmas tree .

Toy Appeals

In addition to our own annual Amazon Christmas Wishlist Appeal, we were lucky enough to be the chosen charity to benefit from the toys collected by Roger Coupe Estate Agents in Cranleigh. Not only that but we were fortunate to receive toys donated to the Eagle Radio Christmas Toy Appeal. In addition, we also received books, games, scooters, beanbags and digital tablets. Huge thanks to all those who donated to these appeals!

Two of our supporters are currently in training for this year's 26.2 mile London Marathon on Sunday 23 April. Andy Griffiths and Ronnie Osment each have a fundraising target of £2,000 and would really appreciate your support.

Betty's New Home

A fibreglass Mini Moo from the recent Surrey Hills Cow Parade has "moo-ved" on to pastures new whilst raising money for Jigsaw. Named Betty by the pupils, the cow was donated to Jigsaw by Dunsfold Park Ltd and decorated by local artist, Vikki Gibson. Emily Mobbs of Godalming was the highest bidder, paying in excess of £1,000 for the Mini Moo, named Betty. Emily met pupils when she visited Jigsaw School and was presented with a Thank You card made by the children. Although pupils are missing her, we are delighted to hear that Betty has settled into her new home.

Donation of Car

We were delighted to be given a sporty Fiat Punto by Jigsaw supporters, the Taylor family, recently. Their generous gift means that clients are able to enjoy more offsite visits and activities in the community.

Sponsored Beard Shave

Huge thanks to Nick Bollam for raising an amazing £3,300 recently by shaving off his beard! Having grown it for 3 years, a colleague suggested shaving it off to raise money for a charity. As a friend and work colleague of one of our families, Nick said it was a very simple choice to choose Jigsaw! His beard came off just before Christmas.

Thank you to Nick and to all his friends and colleagues for their generosity!
