

About Jigsaw

“Two roads diverged in a wood,
and I took the one less travelled by,
and that has made all the difference”

The Road Not Taken, Robert Frost

LIFELONG LEARNING

Jigsaw is founded on the principle of excellence through continual learning and aspires to provide the highest quality of education and lifelong learning possible; to accelerate learning and the ability to learn in new ways as well as acquiring the skills to learn independently through behavioural methods.

Education is key both for our staff as well as the pupils and adult learners who benefit on a daily basis from their expertise and commitment.

“EVERYTHING WE DO IS BEHAVIOUR”

For more information about **Applied Behaviour Analysis (ABA)** please visit our website

Jigsaw CABAS[®] School

“The kind of school that most parents searching for an autism school can only dream of ...”

The Good Schools Guide 2015

WELCOME to JIGSAW CABAS® SCHOOL

Jigsaw CABAS® School is a specialist day school registered with the DfE to provide an education for pupils with autism and associated learning difficulties, aged 4-19 years.

The founding principle of the school is to enable each pupil who comes to us to achieve their full potential.

The school is open for 43 weeks a year divided into 3 school terms and provides

- A broad and balanced individualised curriculum.
- Highly trained teaching staff whose skills are assessed on an ongoing basis to ensure that high standards are maintained.
- On-site Speech & Language and Occupational Therapists.

JIGSAW LIFE SKILLS CENTRE

Our Life Skills Centre, based in Guildford, is a place where pupils can learn valuable life skills, increasing their levels of independence and confidence in a non-school environment.

The specialist learner-centred education and structured support maximises the pupils' skills and helps them achieve their full potential as adults.

CABAS®

CABAS is an acronym for the Comprehensive Application of Behaviour Analysis to Schooling, developed by Dr. R. Douglas Greer from Teachers' College, Columbia University, New York.

It is teaching based on scientific research and the science of behaviour designed for the school environment and offers a proven teaching system designed around the individual.

CABAS also provides an optimal framework for Positive Behaviour Support and learning, and is embedded in all services for our learners, their families and our staff.

For more information about CABAS please visit:

jigsawschool.co.uk/teaching&learning

All Jigsaw School Staff receive

- Training in applied behaviour analysis, specifically teaching as applied behaviour analysis, the running of curricular programmes and behaviour support (matched to the UK ABA Educational Competency Framework).
- Training in autism, safeguarding, health & safety, administration of medication, epilepsy and more.
- The opportunity to obtain formal qualifications in applied behaviour analysis eg. Registered Behaviour Technician, CABAS Teacher ranks, Masters in High Incidence Disabilities and ABA, BCBA Supervision.
- A high level of supervision and support in the classroom with individual performance and learning targets.

CURRICULUM

All Jigsaw School pupils receive an individualised curriculum including:

- A focus on building communication skills
- Achievable targets broken down into smaller manageable steps
- A high level of positive reinforcement
- Group learning as well as 1:1 teaching
- Links to Early Years Foundation Stage (EYFS) and National Curriculum programmes of study
- Opportunities for accreditation for older pupils

In addition Jigsaw's school-wide curriculum includes:

- Themed weeks and themed days
- Topic work
- Educational visits
- Assemblies

SPEECH & LANGUAGE and OCCUPATIONAL THERAPY

Each pupil receives input from our Speech & Language and Occupational Therapists who develop and run

individualised programmes for pupils. Under the guidance of the therapy team elements of these programmes are also implemented by school staff and parents.

AUGMENTED COMMUNICATION

PECS, WECS, Makaton and Proloquo2go are used, where required, to support pupils with their communication skills.

OUTREACH and PARENT EDUCATION

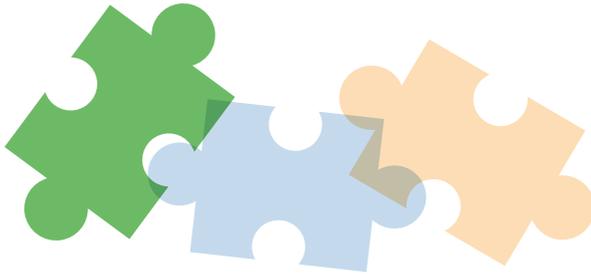

Jigsaw offers an outreach and parent education programme to support families outside of school hours.

MAINSTREAM SUPPORT

Jigsaw provides support for those children able to attend mainstream school with specially trained teaching staff to accompany them.

JigsawPlus

Specialist day services for adults with autism

CENTRE for LIFELONG LEARNING

JigsawPlus is dedicated and passionate in its commitment to support adults with autism to make positive, personal choices that enhance their wellbeing, independence and social inclusion.

What makes us special?

JigsawPlus brings together a wealth of knowledge and expertise to create a flexible and understanding range of specialist services that meets the complex needs of adults with autism and related disabilities.

- Person-centred approach to learning based around the needs of each individual.
- Safe, autism friendly working and learning environments.
- Structured learning programmes supported by a research driven behavioural approach.
- Access to social enterprises specifically designed to accommodate the needs of adults with autism.
- Comprehensive staff training and development.

To enhance the workplace opportunities provided through the [Jigsaw Enterprise Initiative](#), JigsawPlus also negotiates with other local mainstream employers to secure appropriate, supported work placements and volunteering opportunities for adult learners.

JigsawPlus provides learners with support in 3 key areas

- Wellbeing
- Learning
- Employment

Personal assessments are conducted for each learner to enable the creation of Individual Learning Plans (ILP's). These Plans are developed using an established and comprehensive 'Vocational & Key Skills Curriculum'

Vocational & Key Skills Curriculum

ART IN THE ANNEX

Art is a valuable and popular part of the JigsawPlus Creative & Performing Arts curriculum.

Art sessions and projects are planned by our Operations Co-ordinator and delivered by our Learning Support Workers ensuring learners have plenty of opportunity to express their thoughts and feelings.

Art provides a means of communication and self-expression. It promotes a sense of achievement and satisfaction, and can also improve fine motor skills and concentration.

Jigsaw Enterprises

Investing learners with transferable skills and knowledge to support volunteering, work experience and vocational opportunities.

Available to 16-18 year olds for work experience and adults from age 18+.

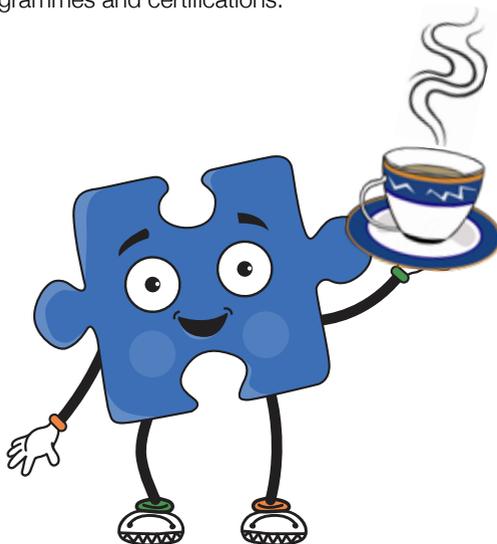

All learners accessing Jigsaw Enterprises are fully supported by trained Learning Support Workers.

Café on the Park

The Café is located in close proximity to JigsawPlus at Dunsfold Park and provides learners with the opportunity to experience life within a busy catering environment.

Learners, with support, work alongside the Café Manager and other members of the Café team and play an important role in the day-to-day operation both front of house and in the kitchen.

Additionally, the Café kitchen provides the infrastructure for learners to access a number of different cooking and baking skills programmes and certifications.

Learners also visit the Café as customers. This provides them with the opportunity to order and pay for their food and beverages and sit in the Café amongst other visitors, encouraging social interaction and developing a variety of important life skills.

GARDENworks

jigsaw
INSPIRED BY AUTISM

GARDENworks is Jigsaw's horticultural enterprise enabling pupils and adult learners to embark on a range of outdoor opportunities.

Working under the guidance of our Horticultural Manager they are taught many practical and transferable skills such as how to use a watering can and hose, through to weeding, digging and planting seasonal flowers, shrubs and vegetables. They learn about working safely in the garden, the best clothing to wear for gardening and how to identify, use, clean and store tools correctly.

Sessions also include learning about wildlife and natural lifecycles and how the things they grow and nurture enhances the environment around them.

Jigsaw Trust

Providing facilities, services and resources for the education, integration, guidance, assessment, outreach and support of people affected by autism.

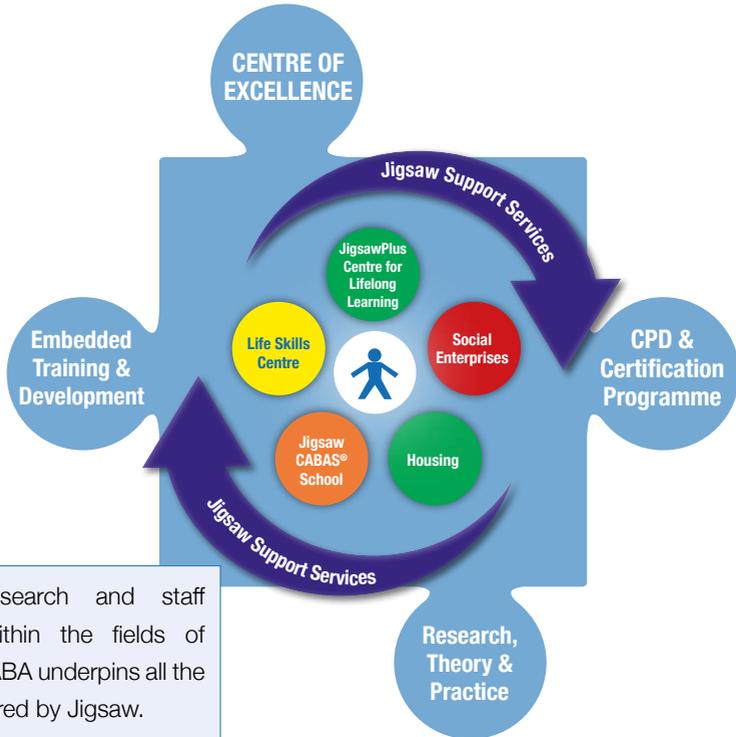

World Autism Awareness Day (WAAD)

Jigsaw promotes a greater knowledge and understanding of autism spectrum disorders through annual campaigns such as World Autism Awareness Day during the **month of April**.

For information about this campaign visit
jigsawschool.co.uk/world-autism-awareness

Jigsaw's Integrated Model for Lifelong Learning

Jigsaw has ambitious plans to ensure the most positive futures for all learners within the Jigsaw community.

Training, research and staff expertise within the fields of autism and ABA underpins all the services offered by Jigsaw.

Jigsaw delivers excellence to its learners and their families through Jigsaw CABAS School, JigsawPlus and Jigsaw Enterprises, and through a planned range of additional 'wrap around' support services.

Workshops

Jigsaw offers a wide range of Training Workshops and Information Events overseen by our Director of Education & CABAS Senior Behaviour Analyst. A full schedule of these can be viewed on our website:

jigsawschool.co.uk/events/workshops/
jigsawplus.co.uk/events/workshops/

Jigsaw is an Approved Continuing Educational (ACE) provider by the BACB.

Admissions

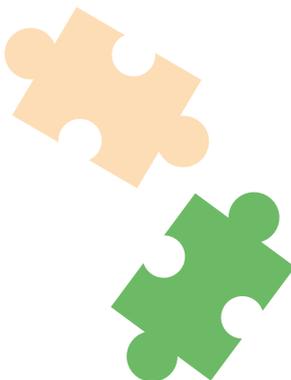

Jigsaw has a dedicated and specialist **Admissions Team** under the lead of our Head of Admissions who has many years' experience working with Local Authorities and a thorough understanding of the complexities of the whole process within the current landscape.

Information about the admissions process can be viewed at

jigsawschool.co.uk/admissions

jigsawplus.co.uk/admissions

Or telephone our Admissions Team on 01483 273874 if you would prefer to talk to someone.

Open Mornings

For information about attending a Jigsaw open morning please visit

Governance

CEO - Jigsaw Trust

Kate Grant, MSc, ACIS, BCBA.

Kate is one of the founding parents of the School and remains the leading influence in the future growth and diversification of the Trust. She is an advocate for an integrated approach to lifelong learning throughout the school years and subsequently within the adult service provision of JigsawPlus. Kate is a founding member of UK-SBA, a society established as a hub for Behaviour Analysts within the UK, working towards creating a nationwide Register of Professionals and the ABA in Schools special interest group.

For more information visit uk-sba.org

Director of Education & ABA Consultant

Emma Hawkins, Ph.D., PGCE, BCBA, CABAS® Senior Behaviour Analyst.

Emma is responsible for the implementation of the CABAS and ABA frameworks across Jigsaw Trust. This means assessing incoming students to the School and developing, and monitoring, their individualised curriculum and learning programmes. Additionally, it involves overseeing the staff training programmes across the Trust to ensure all learners receive the highest standards of teaching.

CONSULTANTS

Dr. R. Douglas Greer, Ph.D. CABAS® Senior Research Scientist, Program Coordinator of the Applied Behaviour Analysis M.A. and Ph.D. programs at Teachers College, Columbia University.

Grant Gautreaux, Ph.D., BCBA-D CABAS® Associate Research Scientist, Senior Behaviour Analyst, Assistant Professor of Teacher Education, Nicholls State University.
